

Alwalton to Haddon

This stage runs along the old A605 Oundle Road and runners may experience fast traffic. It is advisable to wear reflective clothing on this stage.

<p>The changeover is on the green near the Church</p>	
<p>Pass the Church on your right and then turn left when you reach the pub.</p>	
<p>Take footpath towards A605. Bear right at the end of path. Continue on the footpath on the right hand side of the road until it runs out – just after crossing the A1.</p>	
<p>Cross the A605 Oundle Road when safe to do so once you run out of footpath to run on the left hand side of the road, turning left into Bullock Road. (Make sure your cyclist stays behind you at all times).</p>	
<p>Pass both Elton Furze Golf club and farms on the left and after crossing over A605 turn left into Greenhill Road towards Haddon.</p>	

<p>Turn left into Haddon Road just after the buildings with the orange slate roof. This will lead to you crossing over the A1.</p>	
<p>Follow the curve of the road around to the right into New Road (ignoring the Green Wheel Blue sign directing you left) and the changeover point is straight ahead.</p>
